

_2-year College Committee_____
(Name of Committee)

COMMITTEE REPORT

Date: _May 23, 2007_____

Chair: _Wanda Wong_____

Co-Chair: _____

Mission of the Committee:

2007-2008 Long-term Goals:

Provide information and resources for issues regarding starting, maintaining, and improving academic support for student-athletes at the 2-year colleges throughout the nation.

Identify areas of difficulty of the 2-year college student-athlete as they experience and work through the 40/60/80% rule to transfer and compete.

2007-2008 Short-term Goals:

Answer questions of new and not-so-new members on 2-year college student athletes transferring to an NCAA university.

Summary of Progress in 2006-2007

Provide support and information to new members.

The Commission on Athletics President and the President of the Board of the Commission on Athletics in California presented a 2-year college issue of remedial classes and the impact that it has on eligibility and ability to transfer to a NCAA institution to Myles Brand, President of the NCAA.
